

## Interim evaluation for seed funding

Project title:

Supervisors:

Answer the following questions briefly (no more than 100 words per answer):

- What progress has the partnership made?
- What progress are you making in the grant application?
- What additional funding channels have been identified?
- When do you expect to submit?
- What stumbling blocks remain?

Do you have any additional comments/suggestions relating to the seed funding and/or research support provided by the AUHA?
